EDMONTON, ALBERTA, WEDNESDAY, MARCH 3, 1954

Health Unit Hold Board Meeting, Plan To Acquire Doctor's Services

The Board of the Athabasca Health Unit met on Tuesday afternoon, February 23, at the town office in Athabasca for their regular quarterly meeting.

The members present were Chairman Val Breckenridge, Mr. Swann from the Department of Municipal Affairs, Mr. Earl Wright of Paxon and Mr. I. Stonehocker of Athabasca. The Secretary-Treasurer of the Unit, R. K. McCallum, of Athabasca, was present with the accumulated correspondence since last meeting.

After adoption of the minutes, discussion was postponed until a delegate, Jack Mackie presented his request to the Board. As Civil Defence Director of this area, Mr. Mackie was keenly interested in having some local resident take the General Welfare course at Arran, Ontario, during the latter part of March. He suggested that Dave Plummer would be willing to go if permission could be obtained from the board for a week's leave of absence. After some questions and discussion the Board was quite willing to have the Sanitary Inspector take this course which would be beneficial to the whole area should there be a sudden outbreak of hostilities.

The problem of getting an M.O.H. for the unit received considerable attention from the Board. Since Dr. Singleton was not available due to a lack of certain qualifications for practising in Alberta, it was decided to move ahead with negotiations for another doctor as soon as possible. Assistance of local doctors may be requested by the Health Unit nurses as need arises since it is impossible to lay out a plan to cover such emergencies. Both the nurses and the Board are in favor of making every effort to procure a qualified doctor for the Unit as soon as possible.

Miss Duffy, senior nurse, presented to the Board some of her suggestions regarding future needs for the office equipment and library reference books. The Board was definitely in favor of having the necessary reference books available at the Health Unit Office. The purchase of equipment was to be investigated for price quotations before any step was taken.

A delegation from the Board attended a town Council meeting at Lac La Biche in January to outline the work of the unit and to show the advantages to be gained

(Continued on Page 2)

Charles Lebas Wins Vacancy For Mayor

LAC LA BICHE—Charles Lebas won over Dr. Wm. Cadzow in the voting that took place in the town hall on Monday. He polled 142 votes to Dr. Cadzow's 101.

Four seats were to be filled as councillors and eight contested the vacancies. Those who were elected were Ray Raines, 157; Mike Maccago, 139; Lou Badry, 125; Eli Tkachuk, 116. Others in the running were: Michael Hamar, 87; A. D. Varzi, 51; L. Rudiger, 22; and R. Mechetti, 19.

Fire Brigade Keeps All Night Vigil

LAC LA BICHE — Fresh north winds sweeping in from the lake caused two chimney fires. The fires occurred at the home of L. Gregory and at the Anglican Manse. The fires were quickly extinguished before any damage was done.

Because of the hazard caused by the high winds, the fire brigade maintained an all night vigil.

Local Curlers Participate In Athabasca Bonspiel

LAC LA BICHE—Two teams from the Lac la Biche Curling League participated in the Athabasca Bonspiel. Those participating were W. Switzer, R. Raines, L. Badry, M. Patterson, Dr. Cadzow, T. Mastaler.

The curlers won one game and lost one and were still in the running for the prizes when they were forced to return home due to business and other reasons. The curlers would have been forced to remain for two more days because the warm weather forced postponement of all day draws.

In the local Round Robin tournament, the battle for first place continues to be a nip and tuck battle between the rinks skipped by J. Stewart and N. Myskiw. The Myskiw team, consisting of Mr. and Mrs. Myskiw, Ted Mackriss and Mike Steffin; now hold a one game lead after the Stewart rink suffered their second loss.

Lac la Biche

Dr. and Mrs. Cadzow have been away for the past week to visit Mrs. Cadzow's seriously ill sister in Canmore.

The Divisional Board of the Lac la Biche SD held their regular monthly meeting on Saturday. The board decided to install some plumbing facilities in the chemistry lab.

The WI are putting on a fashion show in the near future.

Mr. E. Dakin Buried At Plamondon

Mr. Edmond Dakin passed away on February 18 at the home of Mr. and Mrs. Walter Dakin very suddenly. On the following night many friends and relatives gathered at the home of Mr. and Mrs. Joseph Dakin to pay their last tributes to the deceased.

Mass was said in Athabasca Roman Catholic Church by Rev. Father St. Arnaud. Burial took place in Plamondon Cemetery. Many friends and relatives attended. Pallbearers were: Frank, George, Walter, Charles, Garfield and Joe, all brothers of Edmond.

J. R. Sweeney Heads New Slate Of Officer's In Dairymen's Association

EDMONTON — The Dairy Branch of the Department of Agriculture here has released a bulletin listing officers of the Dairymen's Association.

J. R. Sweeney, whose home is in South Edmonton owns and operates the Vilna Creamery. Mr. Sweeney, who has had a long and honored career in agriculture, is president.

Other officers are: 1st vice-president, J. W. Hosford, South Edmonton; 2nd vice-president, S. Colpitts, Calgary; sec.-treas., W. F. Empey, Edmonton; directors, R. F. Smith (Producers' Section), Calgary; Chas. Dixon (Cattle Breeders' Section) St. Albert; A. D. Bassett (Plant Section), Lethbridge; M. W. Baker (Operators' Section), Edmonton; T. Morris (Past-President), Didsbury.

J. R. SWEENEY

Mardi Gras Colorful And Successful Event

LAC LA BICHE — The annual Mardi Gras, sponsored by the Dr. Swift's Students' Union, saw Miss Olga Bakay become carnival queen. The two other contestants were Miss Jean Tikkenan and Miss Doreen Proctor, who were the runners-up in the order mentioned.

The queen and the princesses were escorted into the hall by Constable Bree and Constable Hryb of the RCMP, and also by members of the Lac la Biche Sea Cadets. The queen was attended by Peter Danyluk of Boyle, Alberta.

Floyd McMillan acted as MC, and presented each of the three girls with lovely gifts. Mr. McMillan took the crown from page boy Bruce Proctor and placed it upon Miss Bakay's head, thereby declaring her queen of the carnival.

The large crowd continued to enjoy themselves by dancing to the music of the Rythm Rangers.

Lac la Biche Hosts To Bonnyville Bowlers

LAC LA BICHE—On Thursday, Feb. 25th, some twenty bowlers from Bonnyville paid a return engagement to Lac la Biche. The bowlers consisted of one team of girls and two teams of men.

The local girls had sweet revenge by defeating the girls from Bonnyville after losing by a close decision in Bonnyville.

The men from the home town again showed their visitors that they were against some keen competitors as they defeated the Bonnyvillites by a wide margin.

The team total for Lac la Biche was 1672 for an eight-man team for an average of 209 per man. Mike Hryb made the high score of the night with 316. John Onufrew was second high with 271.

After the bowling a party and dance were held at the Memorial Hall. Everyone had an enjoyable evening.

Car And Truck Collision On Main St.

LAC LA BICHE—A collision between a car and a truck on main street in Lac la Biche heavily damaged both vehicles. Driver of the truck was Mr. B. Tremblay of Sarraill and Mr. W. Dodds of Imperial Mills. Despite the heavy damage no one was seriously hurt. No further details are permitted as yet because of the charges being laid.

Agricultural Meeting Proves Interesting

HYLO—An agricultural meeting was held on February 19, 1954. Films were shown and speeches were given by Mr. Lore on the revenue received from registered as compared to that received from unregistered grains; Mr. Cheshire on the best methods of cultivating grey-wooded soil in order to get the most out of it, and Mr. Dixon on the best cattle to use for dairying. This meeting was very interesting and educational for all who attended.

Fr. McGrane Coaches District Sea Cadets

Athmore will now see some of its boys parading around in the nice uniforms of sea-cadets and this is all due to Father McGrane of Lac la Biche, who was so good in having some of the boys join in with his sea-cadets. Father McGrane goes to Athmore twice a month to instruct the local boys. They are very grateful to him and hope to prove their gratitude by studying very hard.

Those who received the sea-cadet uniforms are: Lucien Duigou, Lucien Ulliac, Gene and Maks Stanchfield, Henry and Paul Grenier.

Health Unit Holds Board Meeting ...

(Continued from Page 1)

by that town should they decided to enter the Health Unit. The preventive medicine in the school would be a major portion of the work of the Unit. Problems of representation for the town on the Board was referred to the Department of Health at Edmonton for clarification as the original act of incorporation only included a five-man board. Further study of this problem may provide solution that will be acceptable to all parties so that the Health Unit may do more effective work.

Mr. D. Plummer asked for an interview with the Board regarding the Kinusi hotel and cafe which have had several objectionable reports sent to the Unit. An entirely unsatisfactory condition regarding cleanliness and renovation of damaged parts in the building would necessitate some action by the Board. The Board was solidly in favor of getting improvements completed if this hotel were to continue in operation as a licensed public eating place. Mr. Plummer was advised to send the required warning letters and to follow up these letters with any further action necessary to obtain co-operation from the owners in carrying out recommended practices.

A letter was on file from the Drumheller Health Unit asking for information on the local cost of operating this Unit. The rates in Drumheller had been 95c and 78c in '53 and '54 respectively, which compare very poorly with this one as this Unit costs 56c and 63c for the same years. The budget for this year will be completely used up if the services of a doctor can be obtained.

The Board was also concerned about giving more publicity to the work which this Unit is doing. Very favorable comments regarding the staff would indicate that such a program would be helpful. Plans were made to try to provide information from the quarterly reports for circulation through the newspapers. A Health Unit news item will be sent in as regularly as possible for publication.

After checking over the accounts and moving their payment, the Board adjourned at 6 p.m. The next meeting will be held in early April.

Friends Attend 20th Birthday Celebration

FREEDOM—A grand time was had by all who were invited to the home of Mr. and Mrs. Joe Smith, Sr., to help Elmer celebrate his 20th birthday on Sunday, Feb. 7. Four tables of whist were played. Mr. and Mrs. Steve Barton both won first prizes. Mrs. C. Anderson and Mr. J. Wright won consolation prizes. The evening ended with a delicious lunch served by Mrs. Smith and her daughter, Mrs. H. Anderson.

Seven tables of whist were in play at the whist drive at the home of Mr. and Mrs. Bob Preuss on Feb. 3. Prizes were as follows: Ladies' first, Mrs. Ed Donnelly; consolation, Mrs. Milton Lawrence; gent's first, Oskar Hauch; consolation, Connie McMaster.

The coyote hunt held on Sunday netted one dead and two disabled coyotes, and 35 worn out men.

An FUA meeting was held at the home of Mr. and Mrs. A. Anderson on Tuesday, February 9. Slides were shown of the Barrhead stampede and parade, in which the Freedom FUA Locals had a float.

Mr. Harry Booth bought all the machinery and tractor of Herb Coombs. Herb will reside in Edmonton where he does carpentering.

Charron

Mr. and Mrs. Ernie Ramsun and girls of Edmonton were in Charron recently visiting the Jesse Fischer family.

Mr. Clifford St. Jean spent a few days in Normandeau at his cousin's place.

Miss Annette Ilnicki spent the last week-end at home.

Mr. and Mrs. Bill Holst motored to Edmonton recently.

Mr. Sandy Karpetz had a little

misfortune. While coming home from Wandering River with a load of slabs the frame of his truck broke, causing him to lose control of the steering. The truck went across the ditch. There was no damage and no one was hurt.

Mr. and Mrs. Abel Plamondon of Trail, B.C., visited Mr. and Mrs. John Genaud over the week-end.

Mrs. Evangeliste St. Jean is visiting relatives in Charron.

Mr. Georgie Fischer spent the last week-end at his home.

Avenir

A Valentine's party was given in the school on February 12. There were Valentines for everyone and plenty of good things to eat. Everyone had lots of fun.

Mrs. Maxium Ladisur has been staying at the home of Mr. and Mrs. Albert Plamondon, with her grandchildren, while Albert and Alivene are in Lac la Biche.

Mr. Fidel Lamar and Mr. Gabriel Peters ran their truck into the Lac Biche River some time ago. They were able to get it out again, but considerable damage was done to it.

Mrs. Gertie Gravelle was up for the week-end of February 12-14. She spent it at the homes of Mr. and Mrs. Elmer Bergen and Mr. and Mrs. Joe Gravelle.

Mr. Willard Brooks and Mr. Aurel Plamondon skated down the river to the rapids on Sunday, Feb. 21. By the time they got there they were glad to let Alvine Plamondon drive them home.

Mr. and Mrs. Leonard Gravelle and their son Garry motored up from Calgary on Saturday, Feb. 20. They picked up Mrs. Gertie Gravelle, Len's mother at Atmore and are now spending a nice holiday with the relatives.

Willard Brooks got trigger-happy last Thursday. He shot and killed four lynx. Later he and Aurel Plamondon skinned them.

A birthday party was held at the Roselda School in honor of Thelma Johnson who celebrated her tenth birthday on February 19. All who were present reported a good time.

Caslan

Mr. and Mrs. Bill Kupchanko of the Craigend district were at Caslan on business recently.

Mrs. S. Lukasuk had her brother from Thorhild visiting at her home last Sunday.

Mrs. J. Rosa spent a day in Boyle recently.

Mr. Charlie Espback came from the Imperial Mills for the week-end.

Mr. Prymch came from Thorhild to buy some milk cows from Mr. J. Bury.

Mr. Roger Desjarlais traded his car in at Lac la Biche for a later model.

Mr. Bill Chlach, auctioneer at Thorhild, was in the district on business.

Mr. and Mrs. A. Gordon were in Edmonton last week where the latter received medical attention.

Miss Gladys Henson has gone to Edmonton for a while.

Mrs. S. Lukasuk is spending a few days in the city.

Mr. O. Woodward was in Lac la Biche recently.

Beekeeper Successful In Wintering Bees In Northern District

By ELIZABETH PIQUETTE

DONNELLY. We hear of bees being brought in every spring by the truckloads, the difficulties encountered in the shipping of these bees, also the risk of transporting them just at the wrong time, either too early or not early enough to this country where our springs are so unpredictable.

Well, today, just by chance of luck, I was fortunate enough to have the pleasure of meeting a very fine chap who is in the bee and honey business, who was very generous in answering my questions so that I could pass along the news to all our readers.

So over a friendly cup of tea we chatted about bees and honey, and the keeper of the bees, Mr. C. Deselets of the Guy district was very happy when I asked if I might pass the information on to all our readers. Unfortunately Mr. Deselets does not speak one word of English nor I one word of French so Bob (my husband) was right there to interpret for us.

Yes, Mr. Deselets finds it very profitable and interesting to winter his own bees. Mr. Deselet came to the Guy district in the year 1947 and has been raising bees and honey here ever since.

He began in the business with 50 hives but now is wintering 110 hives and expects to have from

these 150 to 175 hives this coming season.

Mr. Deselets has studied the bee business for the last 30 years and has always been very interested in them, but was never able to begin to raise bees and honey until he came to Guy.

Mr. Deselets states that out of 85 hives he wintered during the winter of 1952-1953, he only lost 11 hives.

On questioning the beekeeper I asked if the severe cold of these northern winters were not very hard on the bees. The answer was no—the cold weather is not, but when we get soft weather like we had here two weeks ago—this is when the bees leave their hive and then cannot find their way back. This is the biggest difficulty he has encountered in wintering bees.

It takes about 40 pounds of honey at least to winter a hive and from our conversation I am sure Mr. Deselets has become one of the outstanding beekeepers in this northern part of Alberta.

How he winters them I will not take time to tell, but I am very sure that anyone interested will receive a very warm welcome if they like to contact this gentleman.

Noral

The dance held at the school on Friday night was well attended and twenty dollars was raised for the Crippled Children's Fund. Very good music was supplied by the Hylo orchestra.

Mr. Freddie Henson was home from Edmonton for the week-end.

Mr. Eloy Anderson is working on the track again, replacing Mr. Host who has accepted a position at Mile 266.

Mr. Wentzel is visiting friends at Edmonton.

Mr. Maurice Heflin and Johnny Anderson were home from Imperial Mills for the week-end.

Quick work on the part of Mr. Woychuk and Metro saved the Dobrowny house from serious fire on Thursday morning, when the chimney caught fire. Mr. Dobrowny was away at the time and the three girls were ill in bed.

Miss Dorothy Walter spent the week-end at Atmore.

Hylo

The Home and School Association of Hylo held its monthly meeting on Saturday, February 13.

The Hylo Junior Oats Club held its reorganization meeting on Monday, February 15. The new executive was elected and some business was discussed. The District Agriculturist gave a speech on club activities and the way they judge the members.

Mr. and Mrs. Mariai celebrated their fiftieth wedding anniversary

on Sunday, February 21. They received the following gifts from their friends and relatives: a pair of all-wool blankets, a cuckoo clock, and a big bouquet of fresh flowers. The party ended with a big dance and everybody enjoyed themselves.

Mr. John Ochar Sr. is in the General Hospital in Edmonton seriously ill.

Mr. and Mrs. Lozinski Sr. returned home on Wednesday, February 17, after spending a three-month vacation in Vancouver, B.C.

Mr. Ray Meardi of Hylo is in the St. Catherine's Hospital in Lac la Biche.

Now their faces are the fortune of the cosmeticians.

Changes In M.D. Boundaries

In 1953 a complete rearrangement of Municipal and School boundaries south of a line drawn east and west through Calgary resulted in 13 Municipal Districts and 8 School Divisions being reduced in number to 6 of each, with co-terminous boundaries. This means that each Municipal District now has a School Division of equal size and makes possible introduction of a county system of local government if and when such a change is requested by the local authorities.

At present the Department of Municipal Affairs is working on the area between Calgary and Red Deer, between the Saskatchewan boundary and the Rocky Mountains. It is likely that the Municipal District of Servicherry, with office at Rockyford will be merged into Bow Valley M.D. Location of the office of the new, enlarged M.D. has yet to be decided.

The Municipal Districts of Kneehill and Mountain View will likely remain pretty well as they are at present, as will the M.D. of Stettler. However, there is a good chance that the Municipal District of Provost will be split with half going to Castor on the south and half going to Wainwright on the north. It probably won't be such a clear cut arrangement as that, and many minor changes in boundaries are likely.

In all instances of boundary adjustments the Department is anxious to keep to natural boundaries such as lakes and rivers and all this is taken into consideration in the final setting-up of new Municipal and School boundaries.

It is expected all boundaries in the province will be made co-terminous by the end of this year.

First U.S. Helicopter Line

National Airlines has started regular helicopter service between Miami and Palm Beach—the first scheduled helicopter passenger service to be offered in the United States. The new service will not compete with railroads and buses for the average person's dollars, however, because the cost of helicopter travel is too high.

For instance, the cost of a helicopter ride between Miami and Palm Beach is over \$30. On the train one can go the same distance for something over two dollars. By bus the fare is less than two dollars.

The object of the new helicopter service seems to be to enable Palm Beach and Miami passengers to reach one of the six stopping points along the Miami-Palm Beach route in quick time. The traveling time from Palm Beach to Miami, seventy-seven minutes, is good time for a seventy-five mile run, but through trains equal that.

The airline is using eight-passenger aircraft of this type in the future. We can't help wondering whether the volume of travel developed will justify larger aircraft, at these prices. One thing is certain: the crumbs won't be riding helicopters at these prices.

It's a Good Cause—BUT

Is it good advertising? That is, the purchase of space in year books, dance programs and other special publications designed to raise revenue for charitable organizations, political parties, etc.

Space in such irregular publications is usually very costly in terms of the circulation achieved. It's not uncommon for businessmen to pay several hundred dollars for a page and that may reach a thousand or so patrons at a dance. The same expenditure in a local newspaper or radio station would reach a far wider audience.

Philanthropy is a desirable trait. It's good citizenship and good public relations to contribute generously to one's favorite charity. But the gift-giving and promotional aspects of a business should be kept apart. One shouldn't operate at the expense of the other.

The Bible Today

And the gospel must first be published among all nations.—St. Mark, XIII, 10.

The Cold Facts

The National Council of Christians and Jews has chosen this week to be known as Brotherhood Week.

Principle behind the observance is that unless and until all men, of every faith, race and color foster a true brotherly feeling between them, none are safe in this age of terrible Atomic power.

It reminds one of what happened to the Gingham Dog and the Calico Cat. They had such a terrific fight that they ate each other up! And that is what mankind is going to do if he isn't willing to work along, one nation with another in a spirit of mutual respect.

The Cold Facts are that in any future war both east and west are equipped to blast each other into Kingdom Come with a few well-delivered atomic bombs.

Surely a real, Christ-like spirit of mutual good fellowship between nations is preferable to a program of mutual annihilation!

Cancer And Smoking

In recent days there have been a number of reports which, for the first time, make no bones about a correlation between lung cancer and chain-smoking. Though such reports are not always correct, the number of them specifically mentioning chain-smoking, and the conclusions are correct.

In one report Dr. Alton Ochsner, chairman of the Department of Surgery, Tulane University School of Medicine in New Orleans, stated that members of the medical profession are currently greatly concerned about the possibility that the male population of the United States will be decimated by cancer if cigarette smoking continues to increase as it has in recent years. Dr. Ochsner's report concluded that some substance in tobacco tars was responsible for the correlation between cancer and chain-smoking.

The major cigarette manufacturing companies should be concerned by these reports. Stock shares of the major concerns have dipped ominously in recent days, as a direct result of this news. Some cigarette company stocks fell as much as three to four points in a single day on the New York market.

The intelligent smoker has and will exercise some restraint until the full story of the correlation of various diseases and heavy smoking is revealed, even though this may require a number of years. In the meantime, a good thing for the cigarette companies to do is to take some of their profits realized and convert them into intensive research, with the hope of finding a cure to this dread disease. It would indeed be appropriate if the cigarette companies financed the effort which found an answer to this blight.

Their Last Act

The Calgary Albertan

It may have been very sinful of us, but we obtained a good deal of satisfaction from the news that the hangman was cheated out of his job at Cornwall jail Monday night. The condemned murderer, less than an hour before he was to mount the gallows, took his own life. There was a similar incident at the Vancouver prison last year when Walter Pavlukoff killed himself a few minutes after his lawyer told him that all hope of escaping the gallows had gone.

If these poor wretches must die and if it's easier for them to die that way, then so it should be. Society demands their death, and gets it. But if they, as their last act, can rob society of the satisfaction of springing the gallows trap, then more power to them. And may God have mercy on their souls.

Note and Comment

Canadian and United States plant scientists are developing a new wheat hybrid resistant to all known strains of rust. The biggest obstacle to date has been the difficulty in achieving satisfactory milling quality in a hybrid. The experiment centres on a variety of wheat brought from Kenya in Africa.

In Italy the recent official estimate of 8.3 million tons for this year's wheat crop has been protested by the Association of Agriculturists. They expect crop to exceed last year's crop but not to any large extent. The high yields in Sicily and lower Italy will be offset by the smaller yields obtained in middle and upper Italy.

Readers are invited to make free expression of opinion on any subject. Letters should be short and concise. The Editor reserves the right to condense or reject any letter.

FROM THE YMCA

Those actively engaged in the administrative and program responsibilities of the Edmonton Young Men's Christian Association, recognize that a large measure of the success of the Association is due to the interest and support of countless business and professional citizens and many Edmonton organizations.

Recognition of services rendered was expressed at the annual meeting of January 26. At this time your YMCA observed its golden anniversary — fifty years of continuous service to the youth of our city.

It is my privilege, as directed by the annual meeting, to convey to you and through you, to the members of your organization, the grateful appreciation of the Edmonton YMCA for the cordial and helpful support provided during the past year by your publications.

May the Young Men's Christian Association long continue to be worthy of your interest and support.

CLARK READY,
General Secretary,

Edmonton.

PLEA FOR MERCY

We have all heard of the Calgary case where one soldier shot another in the military camp there. The dead man was twenty-one years old. The killer only seventeen. Testimony given at the trial said that because of teasing the young killer's life was made a misery as several witnesses gave this as evidence.

I am an old woman and many times in my life have been so provoked I wanted to kill somebody, only there was no weapon handy. Otherwise I might have committed murder too. This boy had not planned any murder. He was forced into it. Let the law be very lenient in such cases. Let everyone write to the department and protest the hanging of this boy.

Mrs. Ellen Davidson.
Tomahawk, Alta.

MEDICS STILL DIFFER

I have read the strange story of a man, George Jorgenson, who became Christine. When Christine appeared in Pittsburgh recently, "she" was not billed as a woman but as "the most talked-of man today." The public has a right to know the facts about this sex-changing business. Do doctors agree that such a change actually took place, or don't they?

FLORE.

BY ANNOUCIAS PEMBRIDGE

In a recent issue of your "Chronicle," one Charlie Seeley presumed to tell the citizens of Cherrill how the hamlet got its name. Seeley is a neighbor of mine so anything I write here won't hurt his feelings too badly.

I lived as a next door neighbor to Adolph Stetcher for several years. During that time I often inquired of him and the other neighbors, all of whom were the original homesteaders, how Cherrill got its name. He didn't know, his neighbors didn't know. Twenty-five years later comes one Charlie Seeley and he tells us all about it.

Many of the original settlers still live on and farm their homesteads; many have sold out and moved on. Of those still remaining, I doubt very much if Seeley could find one that would vouch for his statement.

Stetcher was surrounded on all sides by English, Irish and Scotch, all fresh from the old sod. I ask you what chance did he have, an American, hailing from Michigan, of naming the post office after himself.

Maybe the Englishman named it. It sounds feasible. Cherrill, Wiltshire, Cherrill, Alberta, coincidence? Nope, we'll need proof. I suggest Seeley delve into the post office files in Edmonton, dated about 1912, he may find something of interest.

—CHAS. DUFFING
Pembroke, Alberta.

NEEDS THE BIBLE

I am sure readers of the "Voice" will agree with me that what all men need is the Bible and what it teaches. That is, after they read the Bible and see how it has foretold present-day conditions and foretells what will take place in the last days.

As free individuals God allows us to choose the right or the wrong course, the road of righteousness or sin, the road to life or to death.

In Ezekiel we read: "But if the wicked will turn from all his sins, that he hath committed and keep all my statutes and do that which is lawful and right, he shall surely live: he shall not die."

SAM SINGH
Calahoo, Alberta

A USE FOR IT

People who brag about their "blue blood" give me a pain in the neck. They'd be much better off donating a pint of the precious stuff to the Red Cross.

A COMMONER.

1 for BRIGHT SAYINGS

The Editor will pay \$1.00 for each bright saying printed. To qualify, it must be a true, personal remark of a child known to the writer. Address: "Bright Sayings," P.O. Box 4430, South Edmonton.

Whenever I didn't want my little boy to have something, I'd say to him, "Oh tomorrow you'll get that, or tomorrow you'll go there." But tomorrow never came.

One day we were getting ready to go to the city. I was getting his clothes ready and giving him a bath. He asked me "When are we going to the city?" I said, "Tomorrow." And he says, "Will tomorrow be today this time?"

Mrs. Catherine Huculak, Willingdon, Alta.

Our daughter who is two years old was walking around the yard with her uncle, Emil. She looked up at a big tree and asked, "Uncle Enee, what is that?"

"It's a tree," replied her uncle.

"No," she says, "it's a bush."

After showing her a bush and explaining that a bush was many trees, and when there was only one it was called a tree. The little girl frowned and thought for a moment then said, "Okay, Uncle Enee, it's a bush tree."

Nellie Porcina, Derwent, Alta.

LETTER TO LOUISA

School Girl With Crush On Young Swain Can't Get Him To Date Her

Dear Louisa—I like a boy much better than any other boy that I have ever known. We go to the same high school and go on the same bus to and from school. If I'm at any dance and he is, he always dances with me more than once and we always have the last dance together but he never asks me for a date or asks to take me home. We have known each other for a long time and he isn't the shy type either.

He'll be graduating in a year and I will in two years. What should I do to get him more interested in me?

PUZZLED.

Answer—Why don't you use some of the well-known feminine wiles to get your young man to take you home from these high school affairs? He may not, of course, be much interested in you yet. But if the hour of the last dance isn't too late you could arrange with your folks to invite him over for a late snack and coffee. Then if he accepted your invitation he'd have to walk you home.

Or you could arrange a young people's party at your home, or assist a girl friend in arranging such a party. Then that would be your opportunity to invite him.

At your age, though, you are both still quite young. And by the time either of you are old enough to marry, you'll probably both have been in and out of love several times. So don't lavish all your heart throbs on this one young reluctant lover but wider.

Dear Louisa:

I have a child of five years who meddles with everything I have. I can't seem to break her of the habit. Is there any remedy for such a child?

LOUISA.

MOTHER

Answer:

Have you tried talking to the child as well as punishing her? Some people slap a child and never take the trouble to explain why

she shouldn't do what she has done. If she has ruined your new lipstick, tell her that she must sit in her room for an hour not because you are angry with her, but because she has disobeyed you and that you want to make her remember that she is not to do so again. Also explain that the lipstick costs money and it means that you or Daddy will have to work so long to buy another one. You may be surprised how much easier it is to train a child properly without giving-way to temper.

LOUISA

Nonsense Verse

If the hitch-hiker hikes
Much more than he hitches,
He'll wear out his shoes
Ere he wears out his breeches.

Mid-Winter Dairymen's Convention Is Well Attended In Edmonton

With a registration of 570 the recent Convention of the Alberta Dairymen's Association was the largest gathering of dairymen ever held in the province. Interest in all sessions was particularly keen with more time devoted to question periods following the various papers. The new wing to the MacDonald Hotel provided excellent accommodation for such a convention. At times there were three meetings being conducted in different rooms; while on the first day the delegates met as a body in the large attractive ball room.

The stag dinner on the first evening was attended by approximately 300. At the same time the lady delegates numbering about 150 were entertained by the Association. Trophies and top prizes in each section were presented by the Hon. L. C. Halmrast, Minister of Agriculture. Mr. Halmrast spoke of his experiences in the ranching business in southern Alberta and stressed the importance of youth in our present day agricultural activities.

Following are some of the prize winners in the various competitions:

Butter

Highest Average Score: NADP, Hay Lakes.

First Grade: Group 1, Vilna; Group 2, South Edmonton Creamery.

93 Score: Group 2, South Edmonton Creamery.

Mould and Yeast, NADP, Mannville.

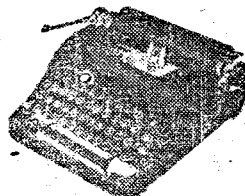

Grading: Group 1, Vilna Creamery.

Best Kept Creamery: CADP, Red Deer.

Inter-Provincial Butter: Lac la Biche Creamery.

Royal Winter Fair Exhibit: NADP, Peace River.

NW 7-72-16-W, 4th Mer.	160 acres	\$3.00 per acre	Nil

The sale will be subject to the following terms and conditions:

The Department reserves the right to withdraw any of the lands from the sale or to include any other lands therein. Lands sold shall be subject to reservation for existing surveyed

roads, or roads hereafter surveyed, provided application for such roadway is made by the Provincial authorities prior to the issue of Patent. The areas of lands sold are subject to adjustment in accordance with the revised plans of survey.

Purchasers of timbered lands must take out a permit subject to the usual dues and fees before cutting any timber except for their own use.

Sand or gravel must not be removed from the lands sold until a permit has been obtained from the proper authorities and payment made of the required fee and dues.

The sales will only convey the surface rights of the lands and will be subject to the usual reservation in favor of the Crown.

The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at the date of sale. All such improvements are fixtures and shall remain on the land and be the property of the Crown and shall not be removed or destroyed until final payment on the land has been made.

If any improvements are stated in this notice to be the property of anyone other than the Crown then the preceding paragraph shall not apply. The improvements may be sold at the sale but no representations are made and no warranty of any kind is given as to ownership or otherwise.

TERMS OF PAYMENT

On areas in excess of forty acres: Payment in full of the purchase price shall be paid at the time of the sale or one-fifth of the purchase price shall be paid at the time of the sale and the balance of such purchase price shall be paid in nine equal successive annual instalments, with interest at the rate of four per cent per annum which interest shall be paid with each instalment on the balance thereof from time to time remaining unpaid. Any instalment not paid when due will be subject to interest at the rate of five per cent per annum.

On areas of forty acres or less: Payment in full of the purchase price shall be paid at the time of the sale or one-fourth of the purchase price shall be paid at the time of the sale and the balance of such purchase price shall be paid in three equal, successive annual instalments, with interest at the rate of four per cent per annum, which interest shall be paid with each instalment on the balance thereof from time to time remaining unpaid. Any instalment not paid when due will be subject to interest at the rate of five per cent per annum.

Upon a parcel of land being sold, the purchaser, shall immediately pay the Clerk of Sale the full amount of the purchase price or pay the amount of the first instalment, and in addition make payment in full for the improvements which are listed herein; otherwise the parcel will at once be put up again.

Payment sufficient to cover the requirement of the first instalment, calculated on the upset price, must be made in cash, or by marked cheque on any chartered Bank of Canada, payable at par at the place of sale, or by guaranteed non-negotiable transfer vouchers, certified non-negotiable transfer vouchers or certified cheques. If the amount bid for a parcel of land exceeds the upset price the difference between the upset price and the amount bid may be paid in cash or personal cheque.

Further particulars covering the terms and conditions of the sale may be obtained by communicating with the Director of Lands, Department of Lands and Forests, Edmonton.

Prospective bidders should satisfy themselves as to the quality, etc., pertaining to the lands.

By Order,

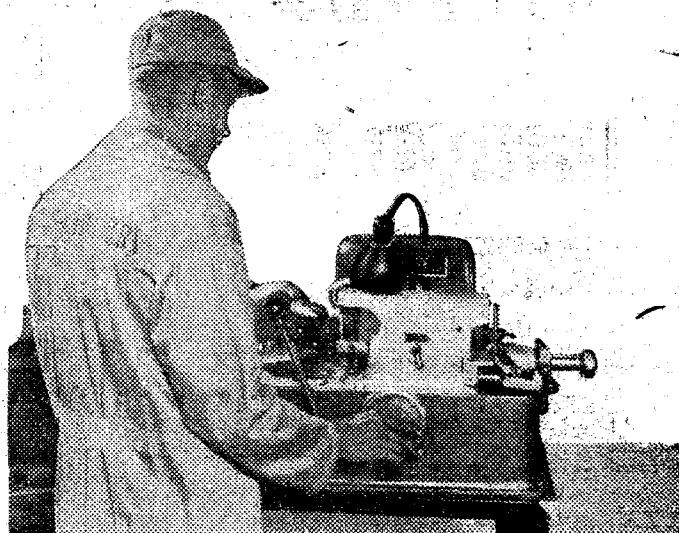

V. A. WOOD—Director of Lands.

Department of Lands and Forests,

EDMONTON, Alberta.

ENGINE OVERHAUL

Gives you "New Tractor" Power Again

An old adage says: "There's a time to fish and a time to mend your nets." You mend nets when you can't fish.

It's the same way with farming. Now the rush is over — get set for non-stop farming next spring.

If your tractor lags on the hard pulls, schedule it now for an engine overhaul. You'll be surprised how little it costs to put new life in your old tractor.

We don't just "fix it" — we repower it. Stop in and talk it over.

THE WORK OF MERCY NEVER ENDS

For so long as there is human suffering then so long does the Charter of the Red Cross require to be honoured by the work of mercy. You know the need, and how great it is. Please help generously.

**KEEP YOUR
RED CROSS
Ready!**

**\$5,422,850
is needed this year**

The '54 **BUICK**'s got it—

The Big Change you've been hoping for!

The instant you see these 1954 Buicks, you'll know that something sensational has happened in automobile styling.

Here is vastly more than the usual model changeover. Here is, vastly more than could be done just by warming over what Buick had before. Here is something accomplished by going far beyond artful face-lifting.

Here is that rarity of rarities—a completely new line of automobiles.

But Buick didn't stop with the bolder, fresher, swifter-lined beauty you see in raised and lengthened fender sweep—in the huge and back-swept expanse of windshield—in the lowered roofline—in the host of extra glamor features of exterior modernity.

They upped all horsepowers to the highest in Buick history.

They engineered a new V8 for the low-priced SPECIAL, so that now the entire Buick line has Buick's famous V8 engine—and in the process came up with new Power-Head Pistons that boost gasoline mileage in every engine.

They brought to market a sparkling newcomer with a famous name, the Buick CENTURY—a car with phenomenal horsepower for its weight and price—a car with more pure thrill per dollar than any Buick ever built.

And they did all this without change of the price structure which, for years, has made Buick the most popular car at its price in the world.

We invite you to come in and inspect these great beauties, these great performers, these great buys. Then you'll see why previewers are already saying, "Buick's the beautiful buy!"

WHEN BETTER AUTOMOBILES ARE BUILT—BUICK WILL BUILD THEM

BUICK the beautiful buy

1 for Favorite RECIPE

DEVIL CAKE

2 tbsps. butter
1 cup sugar
1 egg yolk
1/2 cup cocoa in 1/2 cup boiling water
1 tsp. baking soda in 1/2 cup of boiling water
1 tsp. baking powder
1 1/2 cups flour
1 tsp. vanilla
Mix in order given, use egg whites for boiled icing.

CARMEN COTE.

Box 122,
Fort Saskatchewan, Alta.

EASY TO MAKE DAINTIES

1 1/2 cups dates
1 cup sugar
2 eggs
1 tsp. vanilla
1 cup oven popped rice cereal
Cocoanut or chopped nuts

Method: Clean the dates and cut in halves. Place in pan and add the sugar and the well-beaten eggs. Mix well, then heat and keep stirring for about 15 minutes or until the mixture is quite thick. Remove from heat and add vanilla and oven popped rice cereal. Set aside to cool. Now spoon out in small pieces and shape into balls, then roll in cocoanut or in finely chopped nuts.

THE LIGHTER SIDE

He Ought To Know

Mrs. Youngbride (tearfully) — By the way you treat me, anyone would think that I'm nothing but the cook in this family.

Hubby—Not after the first meal, they wouldn't.

How She Brags!

"Bobby, I hope you didn't tell your daddy that you saw me kissing your sister Ethel last night."
"I didn't have to, Ethel woke us all up after you'd gone and told us herself."

Indispensable Man

"Why doesn't your husband take a day off now and then?"

"He works in the Weather Bureau. People can't do without weather."

More Suitable

Wild Son—Father, I think I'll take up keeping fowls.

Dad—Try owls, my boy. Their hours will suit you better.

Sufficient Evidence

Motorist (going from England to Scotland)—Can you tell me if I am over the frontier yet?

Native—Give me a shilling first.

Motorist—That will do. I must be in Scotland.

You Never Can Tell

Girl—Why didn't you tell me I had a dab of rouge on the tip of my nose?

Escort—How should a man know how you girls want to wear your complexion?

Children Warned To Keep Off Railway Property For Safety's Sake

On numerous occasions during the year 1953, Canadian parents answered their doorbell to find their tearful, repentant, young son, or occasionally daughter, in charge of a railway policeman, who explained that the child had been found playing or standing on moving railway cars, playing in railway yards, or crossing railway yards at other than approved crossings. Most of these parents probably were prone to look upon the policeman as an arrogant person who derived pleasure from persecuting their particular child and most prized possession. However, when it had been learned that no prosecution was contemplated, dangers of such activities on the child's part had been discussed, and the constable had explained his very human preference to bringing the child home safe, but sorry, rather than having to visit the home as the bearer of a sad story of death or serious injury, in most instances the parents formed a new esteem of these men in blue and promised their full co-operation in preventing their children from continuing

these dangerous practices. It was realized that railway policemen have an active and human interest in the safety of the general public, as well as in their main duties of protecting railway passengers, property and equipment.

Statistics have shown a reduction in the number of such visits made by Canadian Pacific Railway Police in the Western Provinces during the year 1953 over previous years. It is felt that this reduction is attributable to a considerable extent to the juvenile safety program instituted by the Canadian Pacific in 1953. In the province of Alberta this program, conducted at the expense of the Canadian Pacific Railway Co., resulted in visits being made to 53 schools by a team of two members of their Investigation Department, who employed the use of approved safety films in conjunction with safety lectures in getting across to several thousand pupils the basic principles of their safety practices involving the railroad. In addition, 18 newspapers co-operated in publishing articles designed to bring the program to the attention of parents and to awaken in them the sense of necessity of continuous "Safety" education of children in their homes. Also included in the program was the distribution of safety literature for display in every school room in the province.

Since the inception of this safety program, 196 visits have been made to homes by Canadian Pacific Railway Police in Alberta, in company with children found violating safety rules on railway property. They say that this represents a reduction in the number of such occurrences and that in 1953 not a single accident has occurred on railway property within the province which has resulted in serious injury or death to juveniles. However, they are far from satisfied, as statistics disclose that a total of 17 trespassers were killed and 13 seriously injured in the Western Provinces during the past year, which total has been more or less consistent throughout the past ten years and represents a terrific and needless loss of potential Canadian manhood.

In the hope of further improving the safety record, the Canadian Pacific Railway Co. is intensifying its program in the schools for the year 1954, and during the period March 2nd to 12th, visits will be made to various schools in the province for the showing of two safety films, "The Long Way Home from School" and "On Two Wheels," both of which have been viewed and approved by the Audio-Visual Branch of the Department of Education.

Another 5,000 "Safety" posters of a new design, which graphically indicate numerous unsafe practices indulged in by juveniles and which the railway hopes to overcome, have been distributed for classroom display in all schools in the province in connection with the 1954 program.

1 for EMBARRASSING MOMENTS

The Editor will pay \$1.00 for every item published on "The Most Embarrassing Moments of My Life." To qualify, items must be true personal incidents. Address: "Embarrassing Moments," P.O. Box 4430, South Edmonton.

It was during the summer holidays that my friend and I were getting on the trolley bus. I gave the driver a dollar bill and when he gave me the change I forgot to put a dime in the slot and went and sat down. Then I looked up in the front mirror and saw the driver waving his finger motioning me to come to him. As I approached, he said: "Aren't you going to put a dime in the slot?"

When I was returning to my seat I notice people looking and laughing.

Was I ever embarrassed.

MISS M. WRYWIAK.

News From Other Alberta Towns

W. R. Cornish, M.L.A. For Vermilion Constituency, Sitting At Session

W. R. Cornish, M.L.A., Vermilion, was born in Devonshire, England. His father was a well-known breeder of purebred livestock which he exhibited with great success at many of the largest exhibitions in England.

He came to Canada in 1911, spent four years in and around the city of Edmonton and moved to his present location in the spring of 1915. The farm consists of 800 acres, with another 320 leased as pasture where mixed farming is practised.

A herd of 50 registered Shorthorn cattle and around 100 head of registered Yorkshire swine, together with a small herd of dairy cows, make up the livestock operations and about 100 acres of wheat are grown each year.

Mr. Cornish has held many local offices through the years including the school board and hospital board.

He was first elected to the Alberta legislature in the 1944 elections and has been returned at each campaign since then.

Whilst attending the sessions of the House, he has always endeavoured to put the case of the primary producers to the front.

He is of Anglican faith and has held the office of vicar's warden for many years; an Anglican church is located just across the road from one corner of the farm, where services are held twice a month and he is pleased to say are always well attended.

Early Pioneer Passes At Los Angeles

Mrs. Lucy Ryley, wife of the late Andrew Ryley, formerly of Minburn and Innisfree districts, passed away suddenly in Los Angeles, California, where she lived with her son Ralph. She was born in Laurel, Ontario, May 15, 1874. Mr. and Mrs. Ryley were among the early pioneers of this district, arriving here in 1907. Mr. Ryley predeceased his wife some 15 years ago.

The funeral was held from the United Church in Innisfree. Rev. R. Crighton, of Mannville, officiated and interment was made in the Innisfree cemetery. The pallbearers were H. Peden, E. Huffman, R. MacFadzean, A. Dennis, A. Hunter and Homer Campbell.

She leaves to mourn her loss one daughter, Mrs. Molahon of Claresholm and two sons, Ralph, of Los Angeles, California, Wilton, of Cranbrook, B.C., and one grandson.

Master Merit Award Is Won By Local Man

Mr. W. H. Dennis of the Alberta Pacific Grain Co. (1943) Ltd., at Irricana, Alta., has been awarded a Ten Year Elevator Master Merit Certificate. This award is granted by Grain Insurance and Guarantee Company in recognition of proficiency in the care of grain elevator premises and to earn this, an elevator agent must have a perfect record for a period of ten consecutive years.

Inspections of all plants insured by Grain Insurance and Guarantee Company are carried out by Affiliated Inspection Bureau Limited. This organization for the past twenty years has majored in the inspection of grain elevators, flour and feed mills and other properties, and its service is acknowledged as being thorough and exacting. Winning the award is therefore recognized as a definite achievement by the grain trade generally.

W. R. CORNISH, M.L.A.

High School Set For Better Ice Carnival

MANNVILLE — The annual Ice Carnival, sponsored by the Mannville High School, will be held on Friday, March 5th, not on the 12th as previously announced.

The Queen candidates this year are Arlene Leitch, grade XII; Barbara Chreplu, grade XI; Adele Matney, grade X; Dixie Schryer, grade VIII, and Reta Majeau from town.

This year's Carnival promises to be better than ever before with new attractions that will appeal to young and old alike.

They hope to see everyone out having a good time, watching and entering into the many fun-filled events. A dance in the Orange Hall, which will follow, will bring the 1954 Ice Carnival to a "grand finale."

Two Plumber's Permit Applications Received

MUNDARE — Two more residents made application for plumber's permit during the past week, namely: Mr. Nick Kobzey and Mr. Steve Yuzda. The town council have decided to conduct a survey to show:

(a) Which residents wish to have water and sewer service connections extended to their property in compliance with the provisions of the By-laws of the Town of Mundare.

(b) Which residents wish to have Telford Construction do the ditching and the laying of water and sewer pipes on their property, cost of the said work and materials to be covered by an advance deposit with the Town's secretary-treasurer.

(c) Which residents will not be installing drainage and plumbing on their premises during the current year, but at some future date.

Groom Hears Debate; Gets Married Anyway

MUNDARE — A group of gentlemen friends and relatives enjoyed a stag party held in honor of Mr. Bill Savitsky at the Starline Lodge on Tuesday, February 16. Highlight of the evening was a debate between the married and single gentlemen in attendance on the merits of single and married life. A good many arguments were presented and opinions brought to light by both sides and after hearing them out, Mr. Bill Savitsky informed the guests that he still would take a chance and get married. He was presented with a chrome kitchen set.

Rural Area Turns On Electricity

AMISK — Wednesday, February 16 was an eventful day for the Amisk Rural Electrification Area, as the people north of Amisk were able to turn on Calgary Power. There was a good deal of enthusiasm as little ones ran to the different rooms to see the new light. In some cases mother saw cobwebs on the ceiling she had never seen before. Dad started for the barn with the lantern before he realized all he had to do was turn the switch when he got there. Everyone can say many thanks to all who helped make this project a success, especially Ernest Ferguson, who worked on it from the very beginning.

Social Evening Held In Community Hall

HAMILTON — A social evening was held at the Hamilton Community Centre on Saturday evening when Mr. and Mrs. C. Finlay and Mr. and Mrs. C. Swain were conveners. The evening was spent dancing. Prizes to the best old time waltzers were won by Mrs. P. Hawley and Doug Clark.

The lunch took the form of a picnic social and the pies were auctioned by Maurice Smith. A short program was enjoyed during the supper hour. The next social evening will be held on Friday, February 26, when the teen-agers will be in charge.

District Farmer, R. Watt, Files \$19,000 Claim

TWO HILLS — Mr. Bob Watt, a Two Hills district farmer, has filed a \$19,000 claim against Canadian Utilities Ltd. Mr. Watt states that the company had erected a dam across the Vermillion River. It resulted in Mr. Watt not being able to use 365 acres of his land. Formerly the above land produced crops of hay. In his claim, Mr. Watt also states that the dam has reduced surface drainage from surrounding fields. The claim was filed in an Edmonton court house.

Drumheller Murder Reward Withdrawn

DRUMHELLER — The \$1,000 reward offered for the arrest and conviction of the killer of Jack Steane, 64-year-old Drumheller miner, was withdrawn Wednesday by Mrs. Adrienne Bisson who posted it in 1952.

The bludgeoned body of Steane was found in his Drumheller home June 9, 1952, but no one was ever charged. The Bissons, friends of the murdered man, announced they could see no useful purpose in permitting the reward offer to exist further.

Ratepayers Meeting Well Attended

MYRNA — On Feb. 8 the annual meeting of the ratepayers of Myrna was held. The meeting was well attended for the purpose of hearing various reports, financial statements, mayor, councillors and the fire chief.

The mayor, C. Novakowski, briefly reported on all activities that took place during the year, and thanked the ratepayers for their co-operation in various fields of endeavor. He then called for further and still better co-operation in building a fine town.

Councillors Wm. Chorney and Dr. Chodol outlined the stages completed in the proposed water and sewage construction and announced the receipt of the debenture loan of \$124,900 with construction to begin early in the spring.

Ladies' Aid Sponsor Red Cross Card Party

HAIRY HILL — The Hairy Hill Ladies' Club again sponsored the Red Cross Whist Drive, this time being a little more successful. Winners were: Mr. W. Umrysh, men's first and Mrs. Umrysh, ladies' first, while Mr. P. Segin got men's consolation and Shirley Kereliuk got ladies' consolation.

Teachers Oppose 6-Week Training Course

ANDREW — The teachers of the Andrew Sub-local, at their meeting held in Andrew School recently, went on record in unanimously carrying a resolution opposing the proposed six-week teacher training course. Copies of such a resolution were forwarded to S. Dushenski, MLA for Willingdon Constituency and to the Minister of Education.

John L. Gordey was elected councillor to the executive of the Lamont Local. P. W. Huculak and Mrs. G. Pesaruk were chairman and secretary of the meeting, respectively.

Donations Received For Memorial Fund

MANNVILLE — Mr. Reitch reports the following donated to St. Paul's Lutheran Memorial Fund in remembrance of Mrs. Bertha Gadke: Mr. and Mrs. Charles Lynch, Mr. and Mrs. John Schock, Mrs. Edith Pederson, Mr. and Mrs. L. Hauch, Mr. and Mrs. W. Sar gent and Mrs. Della Matney, Mrs. Meece, Mr. and Mrs. Jake Schock, Mr. and Mrs. Pete Rathje, Mr. and Mrs. Bruce Cunningham, Mrs. R. Hughes, Mr. and Mrs. Ed. Schock, Mr. and Mrs. Bruno Wascherol, Mr. and Mrs. Bruno Wascherol, Mr. and Mrs. A. Reich.

N. DUSHENSKI, M.L.A., MADE CONTRIBUTION AT FIRST SESSION

N. W. Dusheski, M.L.A., of Willingdon, who is sitting in session at parliament, was born in the Willingdon district 32 years ago. He was educated in the Willingdon Public and High School and the Edmonton Normal and has taught for 13 years, the last 7 being in the Willingdon village, his home school.

At present he's engaged in farming in the Willingdon district where his parents settled in 1900. He operates six quarter sections and was always interested in farming and farm problems. While a member of the Junior Clubs he won awards for grain samples in the Provincial, Toronto and Chicago fairs. For several years he was the president of the Willingdon Agricultural Society which was instrumental in building one of the first seed cleaning plants in the country.

While at the First Session in '53 he made some contributions among the following:

(A) Urged that the government enact legislation that would provide Car Insurance Scheme as in Saskatchewan.

(B) Sponsored a resolution calling upon the Provincial government to establish Producer Marketing Boards that would work along the principle of the Canadian Wheat Board, stating that only through orderly marketing can the farmer enjoy stability and plan his production.

(C) Urged that the Alberta Power Commission take over the control of constructing power lines, supplying the power, etc., to the farmers as is done in Manitoba, Saskatchewan, and other provinces. Stressed that the present method of rural electrification places a financial burden on the

Districts To Amalgamate To Larger Municipality

ROCKYFORD — The last annual meeting of the Municipal District of Serviceberry was held in Rockyford on February 15. This area will amalgamate with the District of Bow Valley and five and one-half townships on the eastern end to create a new county or enlarged municipality. This new area will stretch from the number nine highway on the west, sixty miles east to the Red Deer River. The northern boundary will be the number nine highway and on the south the Bow River separated by almost forty miles.

At the present assessment this territory is valued at fifteen million dollars.

Where the office for this new district is to be will be decided after the new councillors are elected.

At the meeting Mr. Milford Gregory was re-elected by acclamation as councillor for District No. 1. There will be an election on March 15 in District No. 4. Mr. Rue Miller, the present councillor, will run against Mr. Thomas Chamberlain.

These councillors will only hold office until December 31, 1954, when the new councillors for the enlarged district will take over.

Some Against Seed Cleaning Plant

INNISFREE — The Seed Cleaning Plant Association are encountering some difficulties as two different divisions of the Municipality are petitioning the Council, asking that no Municipality grant be given to a seed cleaning plant here—not wishing their taxes to be spent that way. However, they are still hoping to raise the necessary money.

N. DUSHENSKI, M.L.A.

farmers. As a result a large number are going into debt.

(D) Requested that higher assistance in a form of grants be given to the Municipalities and School Divisions.

Mr. Dushenski was first elected to the Provincial House in the general elections of August, 1952, defeating W. Tomin. Mr. E. Roper and he are the only two members of the C.C.F.

Atmore Couple Wed Quietly In Edmonton

ATMORE — On February 23, Edmond Le Rouzic and Jeanne Bourassa were quietly married at the St. Joseph Cathedral in Edmonton. The marriage was assisted by Rev. Father Malone, after which mass was offered for newly-married couple by Father J. St. Arnaud.

The happy couple honeymooned in Edmonton for a few days before returning to Atmore where they will establish their home.

Atmore

Messrs. Garfield and Charles Dakin spent a week visiting their relatives and friends of Atmore. Charles had not been around for nineteen years, and Garfield's last short visit was two years ago.

Mrs. Arthur Baulanger is in the General Hospital in Edmonton where she was operated on.

Grassland

Mr. P. Wojtowich returned recently from United States, where he had been visiting his sister, in Jersey City.

Mr. and Mrs. Gabriel Skorupa also paid a visit to the States this winter. After spending some time with Mr. Skorupa's sister in New York, they visited the Omiecinskis and Lewickis in Ontario.

Mrs. Sutton is now in the University Hospital in Edmonton. Her doctor has hopes of a great improvement in her health after a few weeks treatment.

Miss Leola Schirmacher was rushed to hospital at Lac la Biche by Mr. Alphonse Garnier on Thursday.

Mrs. John Jenkins was the victim of another shooting accident on Friday, though this one had a more fortunate ending. Mrs. Jenkins accidentally shot herself through the shoulder with a .22 rifle, but is home again after a few days in hospital.

A meeting of the local School Board was held in the Grassland School on Wednesday. The following trustees were elected: Orval Jenkins, Gordon Putnam and Dale Mellott.

Mr. Semeniuk, of the Lac la Biche Divisional School Board, attended the Trustees' Convention in Edmonton this week.

Nick Derko, D. A. Sadownik, Dale Mellott and W. A. Corse were all in Edmonton this week.

Miss Leda Holdis stayed in Grassland Monday night as guest of Miss Shirley Rudman.

Mrs. Amelia Corse and her sister Dianne accompanied Walter Corse to Edmonton on Thursday, on his regular trip to the city.

Nick Derko has a truck hauling cinders at Kinuso.

Mr. and Mrs. Meredith Guy, Mr. and Mrs. Ralph Johnson and

others, attended the Ice Carnival at Boyle.

John Dytiuk is in hospital at Lac la Biche.

Eddie Luchka is home again after undergoing an operation at Lac la Biche Hospital.

Mrs. John Davidiuk, who now makes her home in Edmonton, is visiting her son at Grassland.

Frains

A fine crowd of people attended the Red Cross dance which was held in Frains Community Hall. Frains Orchestra supplied the music.

Both trucks of Frains, owned by Mr. John Shyain and Mr. Tony Sawchuk were busy during the past two weeks hauling seed grain for the farmers from Colinton.

Frains Orchestra enjoyed playing in the Community Hall at Donatville, where everybody enjoyed a good time.

Mrs. Walter Nahorney and son Donnie had a one week holiday, visiting at Lacombe and with Laurence in the city.

Helina

A dance was held at Helina on the 20th of February. A good crowd attended and all had a good time.

Bob Pierce has a panel truck now. He has also made a few trips to Edmonton recently.

An agriculture meeting was held at Rich Lake on February 22. Interesting points on agriculture were shown and discussed. A talk on 4-H Clubs was given by the Home Economist from Westlock.

Accident Victim Is Given Funeral Rites

COLINTON — Funeral services for William Jesse Morgan who was killed in a motor accident on Feb. 11 at Wetaskiwin were held in the Colinton United Church on Tuesday, Feb. 16 at 1 p.m. Rev. Gordon East officiated and interment was made in the Colinton cemetery.

The pall bearers were Messrs. P. Belrose, E. Pare, T. Talpash, G. McClelland, D. Day and R. Brundage.

Boorn in Athabasca on June 17, 1926 Jesse lived in the Colinton district until 1950 when he moved to Clyde. For the past two and a half years he had lived in Wetaskiwin. He joined the Canadian Army in 1945 and served until the end of the war. He was a member of the Canadian Legion, Wetaskiwin.

Besides his loving wife, he is survived by his mother, one daughter Gail; four brothers, Leonard and Bob of Wetaskiwin, Reuben of Colinton, and Elmer of Whitehorse; three sisters, Esther (Mrs. Kryzanowski) of Athabasca, Marie (Mrs. Meade) and Loraine (Mrs. Bains) both of Acme.

Egg Lake

Mr. and Mrs. Armand Lebeuf have returned home after spending a couple of months in Edmonton, visiting friends and relatives.

The people of Egg Lake express their sympathies to the Dakin family of Atmore and Gourin in their bereavement. They were shocked to hear of the death of Edmond Dakin, victim in a hunting accident.

Mr. and Mrs. Joseph Pare of Legal and their children came to spend the week-end visiting at the Pare families of Egg Lake.

Mrs. L. G. Amiot is enlarging and remodelling her store, in order to be able to serve her customers better.

Kikino

SM106026 Gdsm Erasmus W., who is stationed at Valcartier, Que., is back home on his embarkation leave. He has to be back there by the 3rd of March. He came along with one of his pals. There is to be a party for him.

The mumps are still hanging around in Kikino yet.

The men around here are still busy logging every day for the past month or more.

Kikino is getting up to date. They have their own show machine and now they are getting a microphone and loud speaker for their hall. They will have it by the end of this month and will have their own electric lights for the hall and store.

NOTICE OF POLL

Election by Electoral Divisions

PUBLIC NOTICE is hereby given that an election will be held for a councillor for Electoral Division Number Four, of the Municipal District of Athabasca No. 103, for the year 1954, and the polling will take place on Saturday, the 20th day of March, 1954, from nine o'clock in the forenoon to five o'clock in the afternoon.

For the convenience of voters polls will be held at the following places within the electoral division.

Appleby's House.

Max Chernish's House.

Lahaieville School.

John Edwards House.

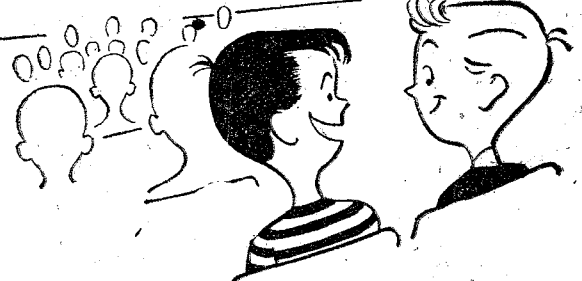

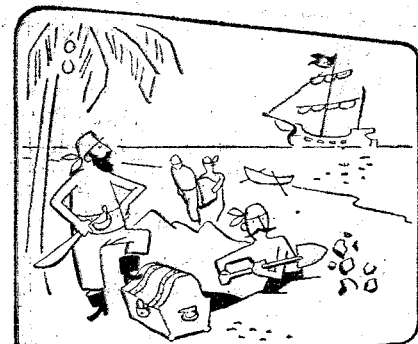

Grosmont Store.

A. Jorgensen's House.

I will at the Municipal Office at Meanook, Alberta, on Saturday the 27th day of March, 1954, at twelve o'clock noon, sum up the votes and declare the result of the election.

Given under my hand at Meanook, Alberta, this 25th day of February, 1954.

B. C. HART,
Returning Officer.
